

What's On in Mepal?

February 2026

Mepal Village Hall Management Committee

It is with much sadness that the Mepal Village Hall Committee learnt of the passing of David Stazicker late last year. David had been actively involved in the running of the Village Hall for many years, serving most recently as the Secretary to the Committee.

During this time, David freely gave his time and expertise to the great benefit of the village, St Mary's church and the wider community, this being recognised by his receiving the British Empire Medal.

Whether it was a complicated legal question or a practical hands-on task, David was always willing to help with wise words and guidance based on a lifetime of experience and a strong sense of duty. His passing will be sorely missed by the committee.

Again, look out for more details of this community event nearer the date.

Mepal Events

The Mepal Events group has been running since Sept. 2024 and in that time we have organized two Village Picnics, two Village Christmas Celebrations, a Summer Fete and a Murder Mystery Evening. We have had positive feedback on all these and we remain appreciative of the help and support we have received.

Mepal Events was formed to put on larger village events that are of interest to all ages and that bring the community together. At the present time, there are only five committee members and, although others come forward to help us when necessary, we would like new people to join the group to help us carry on staging these community events. Our AGM is in March so if you think you can help, please come along to meet us and give us your ideas for the future. Contact Georgina on 778141/e.mail:steve@kingmepal.uk if you are interested.

We already have an idea for a get-together this summer; we hope to use the Community Pavilion together with the recreation field for a Village Picnic & Games Afternoon. More details later but even if you don't want to take part in the games or don't want to sit on a picnic rug, you will still be welcome to join us for 'Refreshments in the Pavilion' where tables and chairs are available. So, you can see that this is, again, an event for everyone!

But this sort of village activity cannot take place unless we have help. Please consider joining us.
